Structure La Casa de Geronimo Lopez (CAL-341)

History: Built ca. 1878 for Geronimo by his brother-in-law, Valentino Lopez. Geronimo carried flag of truce for party which met John C. Fremont at San Fernando Pass and his first adobe home served as a stage station and as first Post Office in the Valley. The family started the first English speaking school in these parts. Now altered for two apartments and medical office.

Description: Two-story adobe home with two-story veranda

(over)

HABSI

on three sides with Victorian jig-saw detail and column brackets. Spanish tile roof, but originally shingle.
